2007-08 96 PeeWee Minor Coaches and team staff**Tony Guzzo - Head Coach**

Tony grew up playing hockey in Detroit Michigan where he played AAA hockey for the Falcons, Michigan Nationals, GPD and soon graduated to the Detroit Junior Wings Junior B team. Following a successful season of Jr. B, Tony made the jump to the Michigan Nationals Junior A team where he would serve as team captain and offered a scholarship to play at the University of Alabama in Huntsville.

While at UAH from 93-97, Tony dominated the opposition becoming the All time career leader in points, assists and game winning goals, all while demonstrating outstanding leadership qualities as he served as captain his senior year. Tony led UAH to it's first National Championship in 96 when the team went undefeated for the season, an incredible accomplishment. Following his collegiate career, Tony went overseas where he played one year of professional hockey in the Swedish League before deciding to use his Business degree that he earned while playing at UAH.

While in Sweden, Tony caught the coaching bug and was asked to coach a Swedish Girls High School Team, which he gladly accepted to get use to a possible new role in hockey. When Tony returned to the US, he immediately got involved with youth hockey and was an assistant coach for two and a half seasons with the AAA Computware organization in Detroit Michigan. Tony has extensive instruction background as he has worked at several hockey schools including the UAH Hockey Camp and Mike Hartman/Hockey America Hockey Schools.
